3901 A AVENUE, BUILDING 10500  
FORT LEE, VA 23801-1809

AUG 17 2017

DCMA-DPS 007

### MEMORANDUM FOR DCMA COMPONENT HEADS

SUBJECT: Policy Statement – DCMA Military Uniforms

The uniform of the day (UOD) for DCMA military personnel will be their Utility uniform Monday through Thursday and their Service “Class B-equivalent” uniform on Fridays.

Army	Class B
Air Force	Service Uniform “Blues”
Navy	Winter/Summer Khaki
Marine Corps	Service “B” or “C”

Military members are required to maintain these uniforms and thus will not request any Agency funds for reimbursement if they have to purchase new uniforms to comply with this policy. Exceptions to this policy are allowed when Combatant Command or local installation directives apply to DCMA military personnel.

Where military personnel are TDY to/will attend a meeting on a military installation, at their discretion, they may wear the designated duty uniform of that installation. Personnel should be in Class B-equivalent uniforms when attending business meetings in contractor facilities. Personnel working in HQ DCMA locations in the Fort Lee area (Building 10500, Rivers Bend, DSCR) will continue to have the Utility uniform as their UOD Monday through Thursday; Friday UOD is designated as “Class B-equivalent.” The two courtyards of HQ DCMA (Building 10500) are designated as “no hat” areas.

The DCMA duty badge is for wear by any service member actively assigned to a DCMA billet, in accordance with each service’s uniform regulation. To further clarify, the badge is not intended to be worn upon termination of assignment to this agency. The badge will be available for each service member to acquire through the military exchanges (AAFEES/NEX) at the service member’s expense.

DCMA Military Personnel Division (DCMA-DCM) maintains the Military Uniform Policy and will issue approved changes as necessary.
